Time: Week 36, 2022.
Art form: Photo.
Location: Skarrild-Karstoft Landsbycenter
(The local school and meeting place)

Description

The Art piece in Skarrild will be placed on the local school that is currently working on becoming a certified global goals village centre. They have a plan for focusing and working with environmental, social and economic sustainability. The pictures below show two different placements – it's possible to make two pieces that relate. It's very important to keep a focus on the best use of the areas and how to keep the permanence in the art form.
