

OPEN CALL for the Global Goal Gables Project in the Central Denmark Region

GOAL 16: PEACE, JUSTICE AND STRONG INSTITUTIONS

Place: Herning, the Municipality of Herning.
Time: Week 34, 2022.
Art form: Opera
Location: Unknown.

Description

There is currently not a specific location planned for the piece in Herning, and the final location will be based on the chosen piece. It will most likely be placed at a central location in the center of the city, and the piece will be featured as part of the program for Herning Opera Festival 2022. It's very important to us, that the piece will have a strong connection to Opera but at the same time taking permanence into consideration. The music and the permanent part of the piece will have to be connected, and we would love to have the permanent element be of a more classical sense – not light or sound.
