

OPEN CALL for the Global Goal Gables Project in the Central Denmark Region

GOAL 13: CLIMATE ACTION

Place: Timring, the Municipality of Herning.
Time: Week 24, 2022.
Art form: Drawing and Story.
Location: Thors Design
(Local business that produces sustainable furniture).

Description

The piece in Timring will be placed at a gable with a single window along with a ventilation grille. The ventilation grille will be removed. It will be placed at a local business that makes sustainable furniture and interior projects by hand from maritime patinated harbour wood. Read more: [Bespoke furniture made of recycled wood | Thors Design ... \(thors-design.com\)](#). However, we would like the piece to focus on the climate efforts in general and not just the recycling of wood.
