

Rydning af torvearealer

Vejnavn	
<p>Torvet, Ikast</p> <p>Der glatføres og sneryddes ikke, bortset fra de spor, der er vist med rødt.</p>	 <p>An aerial photograph of a square in Ikast. A red line outlines a large rectangular area that encompasses a central circular paved area with a fountain. The red line follows the perimeter of the square and extends slightly beyond the corners. A scale bar is visible at the bottom of the image.</p>
<p>Torvet, Brande</p> <p>Der glatføres og sneryddes ikke, bortset fra de spor, der er vist med rødt.</p>	 <p>An aerial photograph of a square in Brande. A red line outlines a rectangular area that covers most of the square, including a central paved area with a fountain. The red line follows the perimeter of the square and extends slightly beyond the corners.</p>
<p>Torvet, Nørre Snede</p> <p>Der glatføres og sneryddes ikke, bortset fra de spor, der er vist med rødt.</p>	 <p>An aerial photograph of a square in Nørre Snede. A red line outlines a rectangular area that covers most of the square, including a central paved area with a fountain. The red line follows the perimeter of the square and extends slightly beyond the corners.</p>
